

GUIDE TO THE ANALYSIS OF THE SPANISH TRANSLATION OF ROBERT OWEN'S "A NEW VIEW OF SOCIETY, ESSAYS ON THE FORMATION OF HUMAN CHARACTER"

TEACHER-ASSISTED EXERCISES

1. Using the sources mentioned in section 2.1 above, try to write a biography of Robert Owen in which you explain how he came to writing his main economic work, A new view of Society.
2. Using the sources mentioned in sections 2.1 and 2.2. above, try to make a table or a map of the main topics explored by scholars in the last decade, concerning the interpretation of Smith.
3. Explore the [database](#) of the EE-T portal and the tools mentioned in section 4, to see how many translations were made in the world. Make a graph with the ages and the countries where there is translations made from its publication. What does this graph indicate?
4. Is the [database](#) complete? In case you find any other edition, please make or suggest entries.
